Subject: Map and Contact Information Update, Martinique Mining, Gold Queen/Million Dollar Gulch and Crescent Creek/May Day Mill, S/017/0035 and S/017/0043, Garfield County, Utah

Dear Mr. Heugly:

By letter dated July 15, 2013, the Division of Oil, Gas and Mining asked that Martinique Mining Corporation provide updated contact information for the referenced Notices of Intention to Commence Small Mining Operations (Notices). This updated information was provided in submittals received January 13, 2012, but at that time the Division asked for new maps for these operations. Since the maps were never received, the amendments were not considered complete, so the contact information updates were not included in the Notices. I apologize for the confusion caused by the July 15, 2013, letter.

Please provide the updated maps by September 6, 2013.

Please contact Wayne Western at 801-538-5263 if need additional detail about the information needed for the maps. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
